

# Confiderm® 6.5CX Nitrile Exam Gloves

**MCKESSON**  
Canada

McKesson delivers the right combination of fit, feel, durability, and value in latex-free exam gloves. Our Confiderm 6.5CX nitrile exam gloves provide you with comfort, strength, and protection. Your hands will feel safe and secure throughout the day. The gloves' tactile sensitivity enable you to work with even the most delicate items; you can even feel a baby's pulse with Confiderm gloves. Choose McKesson for a wide selection of exam gloves.

## Features and Benefits

- Tested for use with chemotherapy drugs
- Extra thickness with an extended beaded cuff
- Lightly-textured fingertips
